

JUSTIFICATION FOR SOLE SOURCE REQUEST

Date: August 8, 2007 Dept./Div.: Police/Field Operations Phone: 754-5354

Contact: Lieutenant Dale Birney

Description of Equip./Service Req.: Video Surveillance Camera

Recommended Vendor: SSD Systems

Address: 1740 N. Lemon Street Anaheim, CA. 92801 Phone: 714 449-9900

1. Check reason for sole source request:

- ☐ **Sole Source:** No other items are known to exist which perform the same function.
- ☐ **Proprietary:** The item is held under exclusive title, trademark or copyright by a private person or company; a proprietary distributorship would also apply.
- ☒ **Standardization:** The City requires the item(s) to standardize parts, design, quality, etc. (explain in more detail below)

2. Is the product or service available from other sources?

- ☐ Yes
- ☒ No

If YES, list name of vendors:

If NO, explain why the product/service is available from only one source:

We are attempting to interface with the existing video surveillance system currently in place at South Coast Plaza. The vendor of that system could more easily facilitate the integration of our system into their current system, allowing the Police Department to interface with the 200+ cameras being utilized by South Coast Plaza Security personnel.

3. Can your requirements be modified so that competitive products or services may be used?

- ☐ Yes
- ☒ No Please explain:

Based on the fact that we would be integrating with the camera system already in place, it would actually be more fiscally prudent to utilize the vendor responsible for the system in place then it would be to seek another vendor to attempt to integrate into a separate system.

4. How does the recommended vendor's prices or fees compare to the general market?

They are somewhat lower due to the fact some of the hardwiring objectives are already in place.
